Tickets for the HOLESHOT draw are €100 each. All money raised, less the marketing and administration costs, will go towards payment of the 2024 MCI insurance bill. All purchasers will go into a draw with a chance to win a top prize of €150,000 or one of five additional prizes of €10,000, giving us a total prize fund of €200,000. Tickets can be purchased by individuals or by a club or syndicate with any prizes won going directly to the clubs funds. Tickets can also be purchased as a form of sponsorship, by buying the number of tickets that equal the value of the contribution you would like to make.
